Petitioner

**DECISION AND CERTIFICATION OF REPRESENTATIVE**

The National Labor Relations Board has considered objections to an election held December 3, 2010, and the Regional Director's report recommending disposition of them. By Errata dated January 11, 2011, the Regional Director corrected his report in certain respects. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 33 ballots cast for the Petitioner, 7 ballots cast for the Intervenor,<sup>1</sup> and 15 ballots cast against the participating labor organizations. There were 3 challenged ballots, an insufficient number to affect the results.

No exceptions have been filed to the Regional Director's report within the time provided. Accordingly, the Board adopts the Regional Director's findings and recommendations, and finds that a certification of representative should be issued.
